

P. J. P.

Sept. 22nd, 1926.

Re: Pearl Bahmer.

---

Dr. C. J. Sullivan interviewed at office, 57 Paterson St. Says he has absolutely no knowledge as to address or whereabouts of P. B. That he treated her but on the occasion of 1922, and has not seen or personally heard from her since.

Could offer no suggestions as to any possible lead to learn address.

Respectfully submitted,

Thomas L. Harrison.
